Introducing The Perfect Pairing...

DTD'S PAST, PRESENT AND FUTURE

Dress The Drink was born in 2008 out of a desire to provide a better life for my son and I.

My name is Cindy McClure CEO/Founder of Dress The Drink LLC.

We have celebrated our 12 year anniversary and continue to carve out our niche. From our beginnings in retail to our shift into wholesale, we are continually humbled to work with some of the largest national restaurant chains, hotel brands and beverage brands, nationally. To date, our products are enjoyed in over 1800 locations nationwide and regularly to Sweden.

All of our products are manufactured all naturally, we never use artificial preservatives, flavorings. Everything we create and manufacture is done the way nature intended the flavor to be. We do not skimp on quality, look or taste, which has been our finest ingredient for success.

In our desire to return to retail, we partnered with our Chef to create 86'D. A Line of gourmet, cooking seasonings that are made from the finest ingredients. Our collection is not your normal, seen everywhere fare. The creativity from our kitchen will exude just that in yours. From our seasonings to our olive oil powders, we enhance everything you eat and drink.

#teamDTD is comprised of people that mattered to me long before they joined DTD, and to me that adds to our recipe for success. 5 people regularly manufacture over 2 million units annually, and they do so, because each of them matter in the most extraordinary of ways.

All The Best,

Donna, Cymbra, Beth,
Shane. Matt and Cindy
too!
