# DTD UNPARALLELED CREATIVE DECADENT PRODUCT INSPIRATIONS

Dress The Drink™ (DTD) is all about pairing culinary and mixology. From signature cocktail creations to the whole dining experience.

A producer of proprietary artisanal, hand crafted, all natural, non-wasteful garnishes and blends.

DTD uses color, flavors, textures, infusions, and the mastering of blends that bring together the true art of culinary and mixology pairings.

- DTD introduction deck is a flavor teaser of some of DTD core products. DTD's business is built on 90% custom products that DTD will flavor profile per your new beverage or food development projects.
- New product concept development programs.
- Optional re-dressing existing drink or food programs.
- Project management included in product deck pricing.
- Spirit brand support from DTD alliance partnering.
- Retail and private label program offerings.
- Pricing is based on volume programming per product placement.
